

SERVICES AVAILABLE

EMERGENCY SHELTER

We work with area shelters and the statewide shelter to provide a safe environment for women and children. Additionally, we can provide emergency lodging if a shelter is not an option.

EMERGENCY TRANSPORTATION

We assist with coordinating transportation to a safe environment.

INFORMATION

We can offer assistance finding community support services.

CHILDCARE ASSISTANCE

We can offer short-term emergency childcare assistance.

ADVOCACY

We advocate and assist in dealing with community agencies and the legal system.

EDUCATION

Knowledgeable staff are available to increase awareness of domestic violence and what can be done to help. Literature and videos are available as well.

SUPPORT GROUPS

Support groups are available in most areas to victims and survivors.

Domestic Violence is a Community Problem

Domestic violence touches every community in Wisconsin. We all know someone who has needed help!

In Wisconsin, one in four women are beaten, raped or stalked by a current or former intimate partner at some point in her life; that's 714,000 Wisconsin women.

We provide community support services for victims, survivors and family members.
